

EnTrust Research Conference

Practice and research avenues on trust and distrust in governance

10th January 2024 - 9:15 to 13:15
Stefan Zweig Visitors Centre of the European Parliament,
Brussels, Belgium

The research conference of the [EnTrust](#) project, organised in collaboration with the Partnership Team of the European Parliament, will be dedicated to the question of how trust in governance can be (re)built, with a strong focus on the EU level. The conference will hold workshops on the practice- and policy-relevance, as well as future research, related to the EnTrust work package topics.

Draft agenda

9:15 – 9:30

Welcome

Partnership Team of the European Parliament

9:30 – 11:30

Parallel workshops

1. The individual components of institutional trust

Moderator: Lenka Štěpánková (Masaryk University)

Speakers: Wojciech Gędek & Sebastian Sosnowski (University of Warsaw); Petr Macek (Masaryk University)

2. Political and institutional trust and the role of the media

Moderator: Renate Schroeder (European Federation of Journalists)

Speakers: Hans-Jörg Trenz (Scuola Normale Superiore/University of Copenhagen); Anastasia Kafe (Panteion University)

3. Social movements, deliberative democracy and civil society organisations: interrelations and methods of policy-making influence

Moderator: Patrizia Heidegger (European Environmental Bureau)

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 870572. The contents of this event are the sole responsibility of the participants and do not necessarily reflect the opinion of the European Union.

Speakers: Jelena Vasiljević (Institute of Philosophy and Social Theory, University of Belgrade); Carlotta Besozzi (Civil Society Europe); Enrico Padoan (University of Siena)

11:30-11:45 **Coffee break**

11:45 – 12:30 **Joint discussion: shaping future directions of research for policy-making on trust in governance**

12:30 – 13:15 **Lunch**

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 870572. The contents of this event are the sole responsibility of the participants and do not necessarily reflect the opinion of the European Union.
